

GOOD FOR FLOWERS

Net Weight: 3 pounds

Significantly improves germination, root growth, blossom production, and color of all annual and perennial flowers.

Guaranteed Analysis

Soluble Potash (K_2O).....15.0%
Derived from: Soluble extracts of seaweed and potassium humate.

Application: Mix 1½ oz (weight) per 10 gallons of water and drench soil around each plant. **NOTE:** Avoid applications directly onto flowers as GOOD FOR Flowers may discolor petals. For best results dissolve powder in warm water before adding to tank.
