MIX WELL BEFORE USING

MUST BE DILUTED WITH WATER.
Do not store in diluted form.
Thoroughly clean all equipment after use.

For Plants: Mix 1-2 oz of Organic Gem™ per gallon of water. Apply generously to soil or foliage until leaves are wet top & bottom. Feed every 2 weeks.

For Lawns: Mix 4 oz of Organic Gem™ per gallon of water. Feed every 4 weeks.
One gallon of undiluted Organic Gem™ will cover ½ acre.

INGREDIENTS

Derived From: Fish Hydrolysate, stabilized with Phosphoric Acid

Fish Fertilizers have been used for hundreds of years. Native Americans first demonstrated how to use fish to grow vigorous & more bountiful crops. Organic Gem™ promotes nutrient healthy crops & the vigorous growth of plants & vegetables.

CAUTION

HARMFUL IF SWALLOWED. AVOID CONTACT WITH EYES. OPEN CUTS OR SORES. KEEP OUT OF REACH OF CHILDREN.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
